Mood Boards

A mood board for a bathroom renovation. It features a central grey door with a brass handle and lock. To the left is a brass shower head and a brass shower handle. Below the door is a brass faucet and a brass shower handle. To the right is a brass shower head and a brass shower handle. The background includes a wood paneling sample, a white tile sample, and a blue tile sample. At the bottom, there are two color swatches: a light blue-grey labeled 'Skirting, ceilings' and 'Garden Porline' and a light beige labeled 'Walls' and 'Aukla Stone'.

Solar panels

Save 50% of your power bill*

**These homes feature our pre-installed system which will save you roughly 50% (+/-) on your power bill.*

The system we install in Brooksfeld homes includes an 'Enphase' individual inverter on each of the panels, meaning each panel works on its own without relying on the other panel's sun exposure or cleanliness.

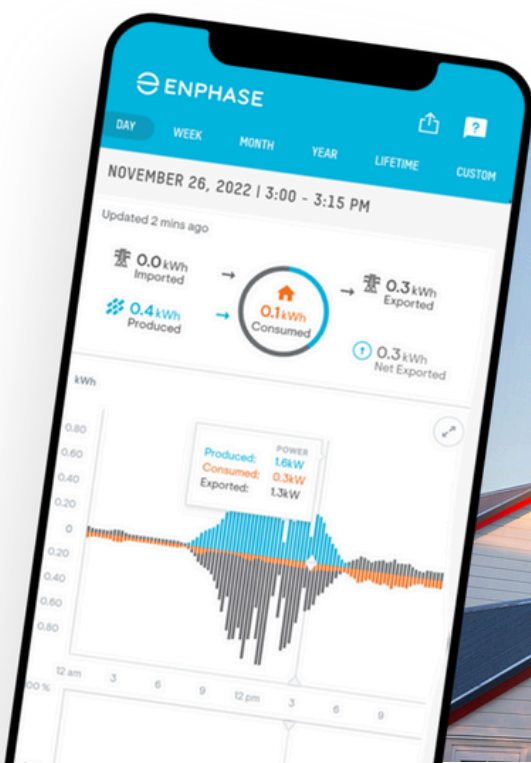

The solar power system installed in Brooksfeld homes features the latest in smart home technology. We also include a 'Green Catch Diverter' system which diverts excess power to the hot water cylinder before sending it back to the grid to sell - the most efficient way to use the power generated.

You can monitor and track the power produced and used as well as check to see how much power is being imported from and exported to the national grid. All you need is a wifi connection and the Enphase app.

Each part of the system comes with a product warranty:

About Brooksfeld

If you want the best homes, you need the best architects. That's why our homes are designed in London by renowned Ben Pentreath Architects.

Why do we exist?

Established in 2019, Brooksfeld began property development with a simple goal - create beautiful homes that people love. We do not use 'cookie cutter' designs. Each one of our developments is tailored to the site, suburb, and surroundings. We build Classical and Georgian buildings and homes, as well as traditional cottages.

We have fine-tuned our builds and are constantly looking for ways that we can better our designs to include more beautiful architectural details, and increase the durability, and affordability of these homes.

What makes Brooksfeld homes different?

We believe that your home should bring a sense of pride every time you arrive home. We challenge ourselves to maximise space and inclusions in every home to suit contemporary lifestyles.

Inside every Brooksfeld home you'll find stone bench tops, tiled bathrooms, low-VOC paints and double glazed windows to name just a few of our premium features. It's all part of our commitment to creating beautiful and sustainable homes that exceed people's expectations without costing the earth.
