Dear Brooksfield

Re: 7 Townhouses - 18 Tasman Street, Nelson - Rental Assessment We write to confirm that if the properties were placed on to the market to let with us at this time, taking into consideration current market trends and the renting of similar properties, we would estimate a figure of \$680-\$750 per week, to be realistic subject to restrictions on tenancies. The property may be initially offered at a higher rental amount depending on time available to secure tenants. The above figure is given reflecting the current condition of the properties on the basis of an unfurnished medium to long term tenancy. If a property were to be improved by way of decoration and facilities or if you wish to market the property for rent at a later date then we would recommend a fresh assessment be made. If we are instructed to rent the properties we will immediately prepare details and notify all prospective occupants whose requirements match, Summit have an extensive database of prospective tenants and can give our Landlord clients up to 99% occupancy rates.

Please contact me if you have any questions and we look forward to hearing from you should we be requested to rent the properties on your behalf.

*About Brooksfeld*

If you want the best homes, you need the best architects. That's why our homes are designed in London by renowned Ben Pentreath Architects.

*Why do we exist?*

Established in 2019, Brooksfeld began property development with a simple goal - create beautiful homes that people love. We do not use 'cookie cutter' designs. Each one of our developments is tailored to the site, suburb, and surroundings. We build Classical and Georgian buildings and homes, as well as traditional cottages.

Over the past few years, we have fine-tuned our builds and are constantly looking for ways that we can better our designs to include more beautiful architectural details, durability, and affordability.

*What makes Brooksfeld homes different?*

We believe that your home should bring a sense of pride every time you arrive home. We challenge ourselves to maximise space and inclusions in every home to suit contemporary lifestyles.

Inside every Brooksfeld home you'll find stone bench tops, tiled bathrooms, low-VOC paints and double glazed windows to name just a few of our premium features. It's all part of our commitment to creating beautiful and sustainable homes that exceed people's expectations without costing the earth.
