Layout And Landscaping

Thoughtfully laid out on a 1100m² parcel of land, these Brookfields homes have been designed with heritage Christchurch in mind, all planting and layout reflects this, we have colourful garden beds of Camellias and Azaleas along with pre-grown large traditional Maple and Magnolia trees. Each front entrance is centred with pavers leading up to it. Down the extra wide shared driveway there is large Conifers to give the homes a very expensive, established feeling. Letter boxes, clothes lines and full landscaping come included in the price.

Design And Interior

These Brookfield Heritage Homes have been personally designed and laid out by Oliver and I (Vinny) the directors of Brookfield Living, we both live in 100+ year old homes in Christchurch and love the character these homes have, we have replicated this but with all the modern conveniences of a new home.

These Homes are entered through a heritage style portico into the front foyer where you can either take the stairs to the bedroom or walk straight through into the kitchen/ living.

Downstairs a large kitchen with stone bench tops, our heritage taps and Bosch appliances is complemented by vinyl planked herringbone floors, this then flows on to the carpeted lounge, then outside to a large, sunny and secured outdoor living area. Also off the lounge is a guest toilet, laundry under the stairs (with ample linen storage) and an internal access to a single garage.

Upstairs is also accessed from the front foyer and comes to the landing which you can then enter either of the large double bedrooms or the tiled floor bathroom which has a toilet, tiled shower, vanity and a heated towel rail. A large linen cupboard is also upstairs.
