ABOUT US

Brooksfield

Established in 2019, Brooksfield began property development with a simple goal - create unique homes for people to love where they live. We do not use a 'cookie cutter' design as each one of our developments is tailored to the site, suburb and surroundings. We are on a mission to breathe new life into Christchurch suburbs from stunning modern designs to our unique heritage style townhouses.

Over the past few years we have fine tuned our builds and are constantly looking for ways that we can better our designs to include the latest in design trends, durability and affordability.

“Our homes cover all styles of living, but they’re all linked by a common theme: bright, light-filled spaces, great, practical liveability, and stylish contemporary appeal.”

– Vincent Holloway, Brooksfield’s director

THE BROOKSFIELD DIFFERENCE

Brooksfield

We believe that your home should bring a sense of pride every time you arrive home. We challenge ourselves to maximise space and inclusions in every home to suit individual lifestyles. Inside every Brooksfield home you’ll find stone benchtops, tiled bathrooms, low-VOC paints as well as wool carpets and insulation to name just a few of our premium features. It’s all part of our commitment to creating beautiful and sustainable homes that exceed people’s expectations without costing the earth.
