Design And Interior

These Brookfields Heritage Homes have been personally designed and laid out by Oliver and I (Vinny) the directors of Brookfields Living, we both live in 100+ year old homes in Christchurch and love the character these homes have, we have replicated this but with all the modern conveniences of a new home.

These Homes are entered through a heritage style portico into the front foyer, you can hang your coat in the inbuilt coat cupboard and either take the stairs to the bedrooms or walk down the hall into the kitchen/ living.

Downstairs a large kitchen with stone bench tops, heritage taps and Beko appliances is complemented by wood look tile floors, this then flows on to the wool carpeted lounge, then outside to a large, sunny and secured outdoor living area. Also off the lounge is a guest toilet. The laundry is under the stairs (with ample linen storage).

Upstairs is also accessed from the front foyer and comes to the landing which you can then enter either of the large double bedrooms or the tiled floor bathroom which has a toilet, tiled shower, vanity and a heated towel rail. A large study with a built in desk that flows onto a sash window making working from home a breeze.
